5. Any comment/suggestion in view of the betterment of syllabus/course curriculum, other facilities:
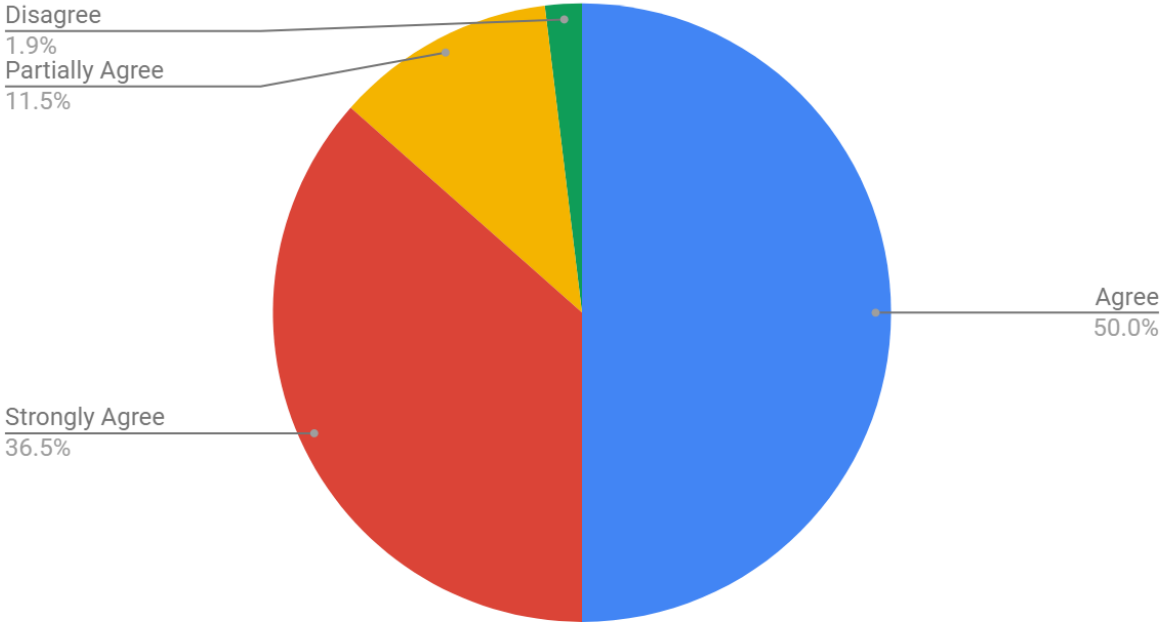

Below gives the summary of the comments from students:

- Laboratory equipment system are very old for present lab experiment & performance, Labs should be more innovative with latest equipment's.
- Course curriculum should be associated with field trips for many courses. The exposure to practicality should increase.
- More exposure on software to work on other than AutoCad and STAAD pro.
- GATE based syllabus should also be covered.
- Latest/ technically advanced tools shall be used and discussed.
- Construction management and BIM should be taught hand in hand
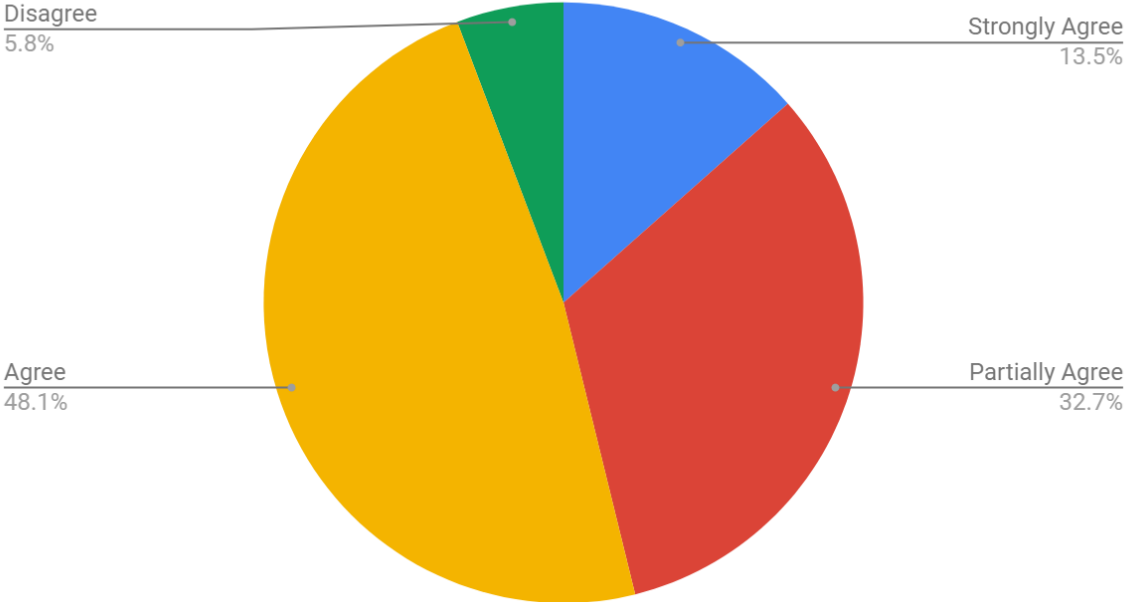

6. Analysis of few Questions:

## The institute has made commendable progress in the recent past

- Strongly Agree 11.5%
- Partially Agree 30.8%
- Disagree 9.6%
- Agree 48.1%
