

Mrs. & Mr. Rajesh Choudhury,
Parents
Ms. Muskan Choudhury,
B.ENG. (ECE),2017-2021

Hello Everyone,
I would like to thank the college for the placement of my daughter in a very well known company.
Few words for the college: the college gave everything possible from education, sports, placement, practical knowledge and cultural fests. I would recommend every parent to enroll their child in this college if you have the option.

Mrs. & Mr. Nirjhar Majumdar,
Parents
Ms. Tanusha Majumdar,
B.ENG. (ECE),2015-2019

This institution not only helped my daughter in grasping the important concepts of engineering but also built her confidence level which was so essential to meet myriad challenges of life.

Mrs. & Mr. Narayan Mishra,
Parents
Ms. Shreya Vats,
B.ENG. (ECE),2015-2019

One of the most crucial decisions for parents is to choose the right college for their child. It is the pivot that decides the future roadmap for their children. So as parents choosing BIT, Deoghar was completely a calculated decision depending on course curriculum, college environment, qualified faculty, lab facilities, campus placements and brand value. It nailed all the parameters.

Today, we as parents feel overwhelmed when we see our children doing great in their professional lives. We extend our heartfelt gratitude towards this institute and the faculty members for shaping the future of our children.

Mrs. & Mr. S. P. Sinha,
Parents
Mr. Sanju,
B. TECH. (ECE), 2018-2022

BIT Deoghar 's Training & Placement Department and all the staff members have our deepest gratitude and appreciation for their efforts in providing top-notch technical and aptitude training. They successfully and truly assisted our daughter in seizing very first opportunity, WIPRO, for which we are really appreciative.

Mrs. Preeti Saran,
Mother
Ms. Aishwarya
B. TECH. (ECE), 2019-2023

Primarily I would like to thanks to giving me this opportunity to convey my thoughts on my daughter's college. BIT Deoghar is not a college but an emotion for us. It provides healthy environment to the students with a skilled and cooperative faculties. It has a well developed laboratories for students. Apart from academics it has a bunch of technical and non technical society like IEEE, Code Soc , dramatic society, dance society , sports and many other. Placement offered to the students are really up to the mark and it's been improving every year. Last but not the least BIT Deoghar means a better future.

Mrs. & Mr. Sanjay Trivedi,
Parents
Mr. Ravi Kishan
B. ENG. (MECH), 2011-2015

Having been from agriculture background we knew little about choosing Engineering colleges, but like any other parent, we wanted our son to get the best college education. We remember walking through the corridors of BIT with our youngster back in 2011 and the feeling is vivid till now, we decided to go with BIT because of the unparalleled heritage of distinction provided by the esteemed group and throughout the four years of college we experienced how college campus moulds the temperament and disposition of students and how career defining these precious four years are. When my son cracked GATE-2015 in his first attempt with 223 All India rank (without joining any external coaching) we witnessed how combined diligence of student and faculty pays off. Currently, he is serving in Indian oil corporation limited and we are proud of the achievement accomplished by him and much of the credit goes to the faculties of BIT and the campus environment provided during college years.

Mrs. & Mr. Dushyant Kumar Jha,
Parents
Mr. Sunny Sagar,
B. TECH. 2018-2022

We are very pleased and express our gratitude for the placement and training cell that provided very pertinent advices and guidance to our son Sunny Sagar. The kind of exposure and opportunities he got was perhaps the best he could have got anywhere. We are also pleased that he was able to give his best because the cell always motivated him to give his best without deterring from his path. He was selected for Amdocs that is further helping him shape up as great engineer/professional. On the whole were very satisfied but we also feel that the institute should work towards bringing bigger companies to the campus for long term success of the placement cell's goal and providing even better career opportunities to its students. Wishing all the best to all who were involved in this entire process.

Mr. Baidynath Mahto,
Parents
Ms. Juhi Kumari Mahto
B. TECH. (ECE), 2018-2022

It was my dream to see my child to work with such a reputed company like Jindal Steel and Power Ltd. , and now my dream has come true. I am proud to express my gratitude to Birla Institute of Technology, Mesra off campus Deoghar which gave my daughter a right path to mold her career. I thank professors,her mentors and the placement cell of BITD for all the support and guidance you have given to my child .

Mrs. & Mr. Sujit Kumar Panda,
Parents
Ms. Shriti Panda
B. TECH. (ECE), 2019-2023

I would like to thanks BIT Deoghar for asking my feedback upon my ward's college. BIT deoghar provides a beautiful environment to the students for their development. All the teachers are highly skilled and experienced in their field. Labs are well developed for the better understanding of students. Other than this fest are organised every year and every festival is celebrated here. Placement are really nice and it's improving day by day. It's a best college for skill development and better future of a student. I'm really happy with BIT Deoghar.
