# GOLDEN JUBILEE CELEBRATION

DECEMBER 16-18, 2022

Dear Colleagues,

Our Department of Pharmaceutical Sciences & Technology at BIT Mesra Ranchi is celebrating its Golden Jubilee (1972-2022) spreading over the whole year of 2022 that will culminate in a mega networking of our alumni graduated in past 50 years, who will be coming from different parts of the world to attend the programme during Dec. 16-18, 2022.

Birla Institute of Technology (BIT) at Mesra, Ranchi was established in 1955 by Industrialist-Philanthropist late Sri B.M. Birla ji. Our present Chairman of Board of Governors is Sri C.K. Birla ji. BIT is one of the oldest Deemed to be University in the country having 17 departments including Engineering, Architecture, Pharmacy and Management disciplines.

It's high time to exhibit and share our achievements in the area of research and academic excellence. This glorious journey has been traversed under the active leadership of our mentors who had imbibed within us the sense of oneness with this Department.

This ceremony will provide a grand platform to connect, network, learn and adapt ourselves through sharing the critical experiences and success of our seasoned yet passionate alumni and stay prepared to address the key challenges and opportunities in today's dynamic world.

Not withholding, we would celebrate our reunion with Fun and Frolic. To keep the zing, we promise to relive the campus life along with YOU, letting our hair down and being ourselves a BITIAN again. Let us reignite the mutual warmth in the chilling December of BIT, Mesra and spread the aura of Pharmacy across the globe.

We take this opportunity to invite you all- dear Alumni, Mentors, Students, Research Scholars, Academic partners and contemporaries to join, celebrate and bless the occasion by your gracious presence.

We look forward to welcome you all.

Team Pharma Golden Jubilee

*Come, See & Celebrate  
The Golden Jubilee with us*
