

# PLACEMENT BROCHURE

BIRLA INSTITUTE OF TECHNOLOGY  
TRAINING & PLACEMENT DIVISION

2024-2025

## ABOUT US

Birla Institute of Technology (BIT), Mesra, Ranchi

Founded by the philanthropist and industrialist Mr. B.M. Birla in 1955, BIT is a premier institute of higher education and research in India. It was granted the status of a deemed to be university in 1986, under section 3 of the UGC Act, 1956, in recognition of its academic excellence and contribution to the industrial development of the country.

BIT offers undergraduate, postgraduate and doctoral level programmes in various disciplines of engineering and technology, architecture, pharmaceutical sciences, biotechnology, business management, humanities, hotel management and catering technology. It is a full member of the Association of Indian Universities and its academic standards are globally acknowledged having NAAC Accreditation (Grade A)

The institute has a vision of building a technologically advanced and industrially strong India, and strives to maintain high academic standards through excellence in teaching and curriculum development. It also fosters innovation and research through its well-equipped laboratories and workshops. The institute has expanded its reach through several extension centres across the country.

The main campus of the institute is situated in a scenic 780 acres land at the confluence of the rivers Jumar and Subernrekha, 16 kilometers from Ranchi city. It is a fully residential campus, providing accommodation to all the students. The campus also offers facilities for cultural, recreational and sports activities for the holistic development of the students.

# Why Recruit from BIT Mesra

## Admission and Academic Collaboration

- Admission to all undergraduate engineering programmes is based on all India ranking in JEE Mains through CSAB/JOSAA.
- All programmes are duly approved by AICTE/UGC.
- Academic collaboration with leading universities in the USA, UK and Canada for student learning opportunities, faculty exchange and research.

## Research and Learning Opportunities

- Summer research experience at Carnegie Mellon University (Pittsburg, USA), Illinois Institute of Technology (Chicago, USA), Georgia Institute of Technology (Georgia, USA) and Virginia Polytechnic Institute and State University (Virginia, USA).
- Co-curricular and extracurricular activities, student managed clubs and events to enhance the overall development of the students.

## Ranking and Alumni

- NIRF ranking - 53rd
- Alumni are engaged with the institute and the students, motivating and mentoring them to perform and excel at whatever they do.

## Legacy and Support

- Supported by more than a century old leading business conglomerate, the CK Birla Group.
- A legacy of 70 years of imparting finest technical education in the country.

# Beyond Academics

## National Service Scheme [NSS]

The National Service Scheme is a public service program conducted by the Ministry of Youth Affairs and Sports of the Government of India. BIT Mesra has a well established NSS cell consisting of around 1000 volunteers who are actively involved in various activities of social cause.

## Technical Clubs

### Association of Computer Machinery (ACM)

ACM BIT Mesra Students Chapter is an extension of ACM, an international scientific and educational organization dedicated to advancing the art, science, engineering, and application of information technology. Our chapter aims at enhancing the computing skills of students on the campus by organizing various events, workshops, and competitions.

Our students have made their presence in international competitions such as:

- ACM International Collegiate Programming Contest (ACM-ICPC): An annual competitive programming competition among universities of the world sponsored by IBM.
- Google Summer of Code (GSOC): An international annual program in which Google awards stipend to students who complete a free and open source software coding project during summers.
- Winter of Security: A program organized by Mozilla's Security team to involve students with Security projects.

# Beyond Academics

## Society of Automotive Engineers

Society of Automotive Engineers, BIT Mesra is a club comprising of the brightest minds in the college devoted in the field of Automobile Research. The club has three sub-teams that participate in different competitions:

### Team Srijan

Team Srijan is the Formula Student team of BIT Mesra. It is a club of 40 undergraduate engineering students from multiple branches who conceive, design and manufacture a Formula style race car. Team Srijan is the best Formula Student team from east India and ranks 11th overall in India.

### Team Firebolt Racing

Firebolt Racing is the official off-road racing team of BIT Mesra that comprises of 30 undergraduate automobile enthusiasts. The team designs and manufacturers an All Terrain Vehicle and takes part in the BAJA SAEINDIA (world's largest amateur racing competition).

### Team Aveon

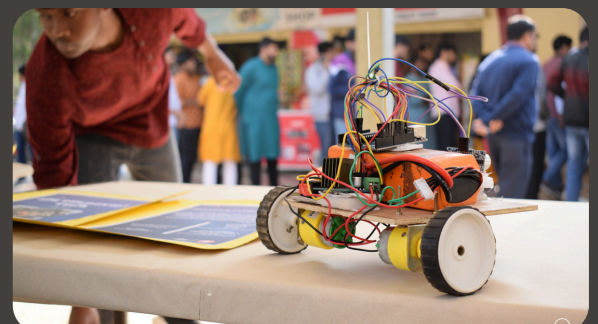

Aveon Racing is the official team of BIT Mesra which participate in SAE e-BAJA competition organised by Mahindra. The team builds an electric powered All Terrain Vehicle and competes with other teams from across the country.

## Robolution

Robolution is the official robotics team of Birla Institute of Technology, Mesra. It is a group of ingenious students from different branches, with a common purpose of "Dextering Robotics". Participating as Team Pratyumnis in the ABU Robocon, the team has achieved the best rank of 9th (out of 90) in ABU Robocon.

Robocon is the largest robotics competition in Asia Pacific, where teams from different countries design and build robots to perform a specific task.

# Beyond Academics

## Entrepreneurship Development Cell (EDC)

The Entrepreneurship Development Cell is dedicated to promoting the spirit of entrepreneurship among the students of the college and the region.

## Environment Protection & Awareness Club (EPAC)

The club works towards achieving an objective and fulfilling an ideal that is greater than any of us which is saving the environment.

## The Literary Society

The Literary Society is the official literature club of BIT Mesra.

## Photographic Society (PSOC)

PSOC, founded in 1964, is a long-standing college club at BIT. It promotes photography and video making among students through workshops, photo walks, contests, and exhibitions.

## Sports Mentorship & Adventure Club

It was formed with the objective to magnify the existing magnanimous scenario of sports & adventure in our Institute.

## News & Publications Society

The News & Publications Society, also known as N.A.P.S.; serves as the link between media houses and the university.

# Beyond Academics

## Music & Dance Club

The Music Club of BIT Mesra, creates a brilliant atmosphere on the campus where all with students learn music along management skills via mutual participation

## Dramatics Society

Ehsaas Dramatics Society of BIT Mesra, a body with about 200 members, promotes different artforms among students. The society has been successful at many events.

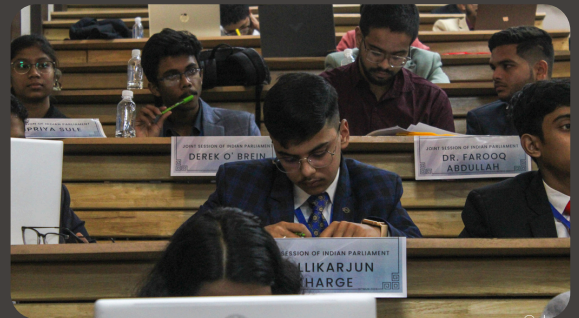

## Society for Data Science

The Society for Data Science is aimed at fostering strong data science community through workshops, courses, professional events, and analytics projects.

## UNESQUO

United Engineers' Speaking & Quizzing Organization, colloquially known as UNESQUO, is the quizzing & debating society of BIT Mesra. It fosters the culture of quizzing, debating & MUNs. The members have been successful at multiple events across India.

## BIOTS (Society of Biotechnologists)

It's a technical club which focuses on the integration of the field of life sciences with the concept of Machine learning and AI, to satisfy the technological integration and achieve great heights.

# Training & Placement Facilities

*Equipped Group Discussion & Seminar Rooms*

*Equipped Interview Rooms*

*Conference Facilities*

*Closed Amphitheatre for Presentations*

# Placement Process

## PLACEMENT SEASON BEGINS

Formal Invitations were sent to the organizations from TnP Division for participation in the placement process.

## COMPANY'S RESPONSE

Company revert to the Institute with filled JAF (Job Application Form).

## PUBLICATION OF JOB

Based on the JAF filled by Companies eligibility criteria, job description, pays & perks, etc. are displayed on the T&P portal.

## STUDENT REGISTRATION

Interested and eligible students register themselves for particular job.

## SLOT ALLOCATION

Dates are blocked for company visit and list of interested and eligible candidates along with their resume are shared with the company

## PPT/TESTS /GD/INTERVIEWS

Companies give their presentation and conduct tests, GD, interviews. etc

## FINAL SHORTLISTING/ FEEDBACK

Company shares the name of the final shortlisted candidates with the Institute.  
Company shares their feedback with the Institute.

## OFFER LETTER

It is expected by the company that the offer letters of shortlisted candidates shall be rolled out before session end.

# Placement Norms

- Any eligible and unplaced student may opt for IT Services Company.
- A student possessing IT services offer may not be allowed to sit for any such companies.
- Student who is placed in IT services company may also get chance to appear for the core recruiters.
- A student placed in core company shall not be allowed to sit in any other process except dream jobs.
- There is also a provision for dream recruiters wherein all eligible placed/unplaced students may be allowed to participate in the process. Dream job declaration shall be at the discretion of T&P Division.
- A student possessing dream offer shall not be allowed to sit in any other process.
- All the eligible and registered students are allowed to participate in the internship process, irrespective of holding any final placement offer, if they have not secured any internship offer.
- The student who registers for any placement or internship process and does not appear for the same will be debarred from placement and internship facility.
- T&P Division reserves the right to take decision in the benefit of the stake holders.
