Industrial Visit for Bachelor of Computer Application (BCA) students
Date -2nd April 2024

Industrial Visit of BCA Students : Department of Computer Science, Birla Institute of Technology Mesra, Jaipur Campus organised an Industrial Visit for Bachelor of Computer Application (BCA) students on 2nd April 2024. Around 51 students from BCA 1st to 3rd year took part in this one day trip. Through this industrial visit program students got the opportunity to visit and learn.

1. **Bhamashah State Data Centre: DOIT :**

   Bhama Shah Data Centre located in Jhalana Doongri location at Jaipur happens to be India's biggest government-owned, operated, controlled, and managed Tier 4 Data Centre.

2. **Bhamasha Technohub :**

   Country's Largest Startup Incubation hub having 700 seat capacity. 7-story Bhamashah Techno hub provides startups free use of its plug-and-play workstations, conference facilities, cafeteria, tinkering labs, gym etc.

3. **Rufil - Dairy products Manufactures and Suppliers:**

   Rufil is a Jaipur-based dairy product manufacturer in India that supplies dairy products such as Milk, Yogurt, Ghee, Butter, Ice Creams etc.

Students enjoyed this one-day trip and got an opportunity to learn from the people working and managing at these places. They were given a full tour of the office at all three places and interacted with the officials and had one to one interaction and their queries were answered by the professionals.
